

HANDS-ON

Paper Plate Lion

Objective To teach the characteristics of lions.

Materials Tan paint or brown crayons
Paper plate
Scissors
Black marker
Hole punch
Yarn

Procedure

1. Use the paper plate to make a lion mask. Students can color or paint the plate tan.
2. Cut holes for eyes or glue wiggle eyes onto the lion mask.
3. Add the mane.
Option 1: Glue 2 inch strips of tan yarn around the paper plate to fill in and resemble a mane.
Option 2: Make snips about 3/4 inch apart and about 2 inches into the plate. These can be curled to resemble the lion's mane.
